Head Teacher: Mr M Hickey BA(Ed), PE QTS

15th January 2016

Dear Parents/Carers,

We have been advised that we may have a case of scarlet fever in school.

Scarlet fever is characterised by a rash, red swollen tongue and flushed cheeks and is sometimes confused with measles, though unlike measles is easily treatable with antibiotics. However it is very contagious.

If you have any concerns with regard to your child then please contact your GP.

Yours sincerely

Matt Hickey
Headteacher
