Dear Year 3, 4, 5 & 6 Parents / Carers,

As you know, again this year we opted for a mid-year report so that you were aware of how well your child has been progressing in their current year group. This also allowed your child's current teacher to set their next step targets, as well as the same teacher providing the opportunities to make sure those targets are achieved.

Since the reports went home in March, your children have been working hard on their next steps and have been collecting examples of where they have made progress, as well as pieces of their best work. As advised, instead of a traditional Parental Consultation, we are having a series of meetings that we will call our '**Learning Reviews**'.

The **Year 3, Year 4, Year 5 and Year 6** learning reviews will be taking place during the afternoons of **Monday 15th & Wednesday 17th July**. We are inviting parents to sign up for a 30-minute slot. There is enough space for up to five parents per slot. You will find the sign-up sheets outside the classroom door.

This is the second time we will be running the learning reviews. It will be a child-led session where they talk you through their learning throughout this academic year. They will also talk about the targets that were set in their Spring report. The class teacher will be there for any questions you may have, but will not be leading the discussions.

If you have any questions, please come and speak to us.

Thank you for your support.
