Yuvi	F1	I am so pleased to give star of the week to Yuvi. He has been showing great perseverance within the setting, showing us that he can get himself changed independently for P.E and be confident to use his big voice during circle times. We are so proud of you Yuvi.								 Perseverance	
Nishka	F2 P	Nishka has made an excellent start during our phonics sessions. She is confident when thinking about different words which start with each sound and can independently use her phonics to write the words. Well done Nishka!								 Independence	
Reyan	F2 PS	Reyan has been working super hard this week in his phonics group. He has shown he can apply his phonic knowledge to help him write simple words. Well done Reyan!								 Independence	
Renae	Yr 1 1S	Renae for helping her learning partner during paired activities and being a kind and fair member of the team when working in groups for science. Great teamwork Renae.								 Teamwork	
Sophia-Louise	Yr 1 1R	Sophia has done so well this week. She always settles to work quickly and follows instructions independently. What a good role model Sophia.								 Independence	
Srija	Yr 2 2A	Srija is our Star of the Week for fantastic independence. She has worked tremendously hard in both English and Maths this week, earning 3 gold cards. She always has her hand up ready to participate and share ideas then will always use full sentences when explaining her thinking. Not only that, Srija has also tried her best to present her work neatly in her books which is one of our big targets this year. Well done Srija!								 Independence	
Kevin	Yr 2 2W	Kevin's enthusiasm to learn is clearly evident, particularly during Maths. He is always willing to try every question and even when he doesn't quite get it right the first time, he tries again with even more determination. He loves a challenge and he is now reflecting on and using the suggestions we have made to improve the structure of his thoughts and explanations. Kevin we love how you actively participate in all lessons, thereby taking control of your learning journey!								 Reflection Perseverance	
Isabella	Yr 3 3W	Bella deserves star of the week this week because in all lessons she shows fantastic independence and determination for getting on with her work. I can rely on her to be a role model for everyone else in the class because she is always doing the right thing and leads by example. Great job Bella!								 Independence	
Nitya & Zara	Yr 3 3A	This week in our guided reading, 3A have been using their inference skills to find clues hidden in our books illustrations. Nitya and Zara both spotted a clue that Mr Allaway had not seen in a small illustration that threw up more questions for us to explore. Excellent work ladies.								 Teamwork	
Sophie	Yr 4 4P	This week we've been using our origami skills to make pop-out books. Lots of the class found this quite tricky and gave up pretty quickly. Once Sophie had worked out what she needed to do she offered to go around and help others to get theirs sorted.								 Teamwork	
Sujal	Yr 5 5M	This week's star of the week in Year 5 is Sujal for working really hard as a team to help his peers understand new concepts in maths. He gave excellent explanations and supported those around him really well!								 Teamwork	
Samee	Yr 6 6R	Samee has really impressed me with his attitude to learning this week. I have been blown away by the care he has put into his work. Thank-you Samee!								 Independence
