

Headteacher's Bulletin

Dear Parents,

Thank you for donating your green redeem points. As you will see below, we managed to receive over £400 that we will likely use to purchase a new bench made from recycled materials for our playground.

We are also lucky to have secured a group of 30 volunteers that will be on the school site on October 24th. They will be helping us tidy up the main entrance to the school as well as rebuilding the gazebo that was suffering from a significant amount of rot. Any offers of help to make sure we show the children we take pride in our school would be much appreciated.

Thank you for your support.

greenredeem

Thank you for all the points that were donated over the last few months! We came eighth overall, which gives us a very useful £400 to use in school thanks to the generosity of GreenRedeem. We will put it to good use!

Bike and Scooter Storage

It is fantastic that so many children are cycling and scooting to school!

We are currently looking at additional bike and scooter storage for the KS1 area, but in the meantime please could you ensure that your child's bike or scooter is put as tidily and safely out of the way as you can.

For more information please see the Community Events page of the Highwood website.
