Izaya	F1	Izaya showed fantastic curiosity when we went out on our Autumn Welly Walk yesterday. He made lots of comments and asked questions about what he could see and used all his senses to explore the woodland environment. He also listened really well and followed all the instructions to keep him safe while we were out!								 Curiosity	
Ellie	FS2/FP	Ellie showed perseverance and independence during our SPLAT session. She chose not to have a buddy, but instead independently selected which activity she wanted to attempt. Throughout the session she worked out what she needed to do for each maths problem and tried hard to solve them. She didn't lose focus and persevered until she found all the answers. Well done Ellie, super proud of you!								 Perseverance Independence	
Hafsah	FS2/LS	Mrs Stroud is so proud of Hafsah, this week in maths she showed off her independent addition skills. She was able to generate her own addition sentences with numicon and then recorded them on a wipe board. Well done Hafsah you superstar.								 Independence	
Josie	Yr 1 1S	Josie has shown amazing independence in her work this week. She has gotten on with tasks independently and used the resources on the table to help her work out answers in maths and think of interesting sentences for English. Great work keep it up!								 Independence	
Elodie	Yr 1 1R	Elodie showed great team work in English this week. She was supportive with her partner and ensured that they both took part. When her partner was stuck she was able to help him without taking over. Elodie showed good listening skills during the task too.								 Teamwork	
CJ	Yr 2 2A	CJ deserves the award because he has worked extremely hard to write at length in English this week. His stamina for writing is improving, and because of this, we can see great improvements in his spelling and his story writing. He has used the working wall and the word banks brilliantly to make the story of Toby and The Great Fire of London more interesting. Keep it up CJ!								 Perseverance	
Oscar	Yr 2 2W	To say that we were impressed by Oscar's homework this week would be a massive understatement. All his chosen tasks showed his creativity and were completed to a very high standard, but Oscar's non-fiction book on The Great Fire of London was phenomenal! He used what he has learnt during guided reading to ensure that his book contained all the features of a non-fiction text; including a contents page, glossary and even an index. His book certainly had the WOW factor. Well done, Oscar.								 Creativity Reflection	
Noah	Yr 3 3W	Noah has really persevered in maths this week. He is contributing more in lessons and has a real go at questions before asking for help. His hard work is paying off as consequently, he performed well in his most recent hot task.								 Perseverance	
Logan	Yr 3 3A	This week all the adults in 3A have been incredibly impressed watching Logan persevere with his maths learning this week. Although he has found this topic challenging, he never gave up and was able to work his way all the way up to the Explain activities. Keep up the good work Logan.								 Independence	
Sammy & Colleen	Yr 4 4P	Colleen and Sammy have both been showing lots of perseverance in maths lessons in The Orchard. They are both improving with tables through practice on TTRS at home.								 Perseverance	
Bilal	Yr 5 5M	Bilal gets star of the week this week for continuously showing perseverance and independence! No matter what the activity or task, Bilal always tries his hardest, works through challenges and is always an amazing role model for the rest of his peers.								 Perseverance Independence	
Breanna & Krzysztof	Yr 6 6R	Breanna and Krzysztof have formed an amazing partnership in maths this week. Well done to you both for great teamwork.								 Teamwork
