

Headteacher's Bulletin

Dear Parents,

After showing close to 75 families around over the last month, one of the most common pieces of feedback was how clean and bright the school looks. As the weather continues to be wet and miserable, I would appreciate current parents helping us to keep the school looking great by not letting their children run on the muddy fields prior to coming in to school. This will hopefully keep our classroom carpets looking smart and make sure your children continue learn in a lovely environment.

Thank you for your support.

Cold weather clothing

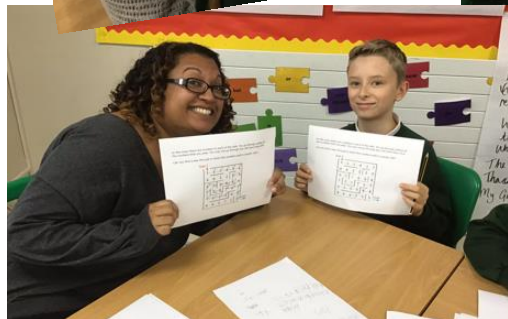

Now that the weather is getting colder, please ensure that your children are bringing coats to school, and if appropriate, hats and gloves. Please make sure they are all named! The children should all be wearing the winter PE kit as well as they are doing outdoor sports. This means bringing plain black tracksuit bottoms and jacket, as shown in the photo.

Maths SPLAT! sessions

KS2 SPLAT sessions were held this week, and a great time was had by all. The theme was Maths, and the children enjoyed showing their parents the different activities they use to help strengthen their maths skills. Thank you to all the parents who were able to attend and we look forward to welcoming you back for our spring sessions!
