Aleeza	F1	Aleeza gets star of the week this week for her fantastic perseverance when learning the songs and actions for our Foundation Nativity play. During rehearsals she has been trying hard to sing all the words and do the actions to all the songs. Well done Aleeza!								 Perseverance	
Aadhya	F2 PS	We are so proud of Aadhya, she is beginning to show increasing independence with her writing. This week she has been challenging herself in the writing area, building sentences. Clever girl!								 Independence	
Arij	F2 FP	Arij has been amazing at learning all the songs for our nativity performance. She is confident and clear when she sings and knows all the actions. Well done Arij.								 Perseverance	
Zia	Yr 1 1S	We have been working hard this week to reflect on our writing using our purple pens. Zia has done an amazing job with this. Independently reading through his work to add in capital letters and full stops that he has missed as well as adding in adjectives and changing his sentences to make them even better and more descriptive. Great work keep it up!								 Reflection	
Qasim	Yr 1 1R	Qasim has been trying really hard with his writing. He tries hard to include all of the features identified for writing and is beginning to show good use of his phonics. Well done and keep up the excellent work.								 Independence  Perseverance	
Srija	Yr 2 2A	I can always rely upon Srija to try her best with everything she does. Not only does she listen carefully to instructions but she has a go at tasks before asking for help. Her work is presented so beautifully that it leaves Miss Amor jealous! Also, this week she has stepped up during our Nativity rehearsals to deliver confident performances and acted as an amazing angel!								 Independence	
Rocco	Yr 2 2W	What a week Rocco has had! He retained most of what he learnt about 2D shapes last year and was able to apply his knowledge when learning about symmetry. Not only that, he wrote his best piece of writing to date. We are really proud of how he worked tirelessly to ensure that he included onomatopoeias, many varied expanded noun phrases and even adverbs in his story. What a superstar!								 Reflection  Perseverance	
Marvin	Yr 3 3W	Well done to Marvin who ALWAYS creates high quality, creative homework. I look forward to marking his work every fortnight because he puts so much effort into it.								 Creativity	
Caylen	Yr 3 3A	Yesterday, 3A cast themselves back into the Pre-historic age where they attempted to sell artefacts on their TV shows. They wrote scripts, rehearsed them and then recorded themselves talking to an audience. Caylen supported the other members of her team to create interesting sentences and deliver impressive dialogue. She selflessly swapped roles with another child when they were struggling to remember their lines, helping to deliver a fantastic performance.								 Teamwork	
Phoebe	Yr 4 4P	Phoebe has written an amazing newspaper article that showed a real understanding of the tone of the text type that was incredibly mature for her age. Well done Phoebe!								 Creativity	
Logan	Yr 5 5M	Logan gets star of the week this week for his continued perseverance! He absolutely blew me away during our SPLAT afternoon, finding all the answers to our four fours investigation! He is also an excellent role model for his peers.								 Perseverance	
Timmy	Yr 6 6R	Timmy has used editing stations this week to improve his writing. I am really looking forward to reading his biography on John Cadbury. Well Done Timmy								 Reflection
