Iqra	F1	Iqra has been trying really hard to do things by herself. She has been trying to put on her coat and then pouring her own drink at snack time. Keep it up Iqra.								 Independence	
Peter	F2 PS	We are so proud of Peter this week. He has shown increasing confidence when working in his phonics group. Even though he finds learning his sounds tricky he doesn't give up. Well done Peter!								 Perseverance	
Joseph	F2 FP	Whilst investigating our topic question: 'what is in the sky?' Joseph was able to tell me the reason why we have night and day: "When it's night time here the sun is shining on the other side of the World." Well done Joseph, super knowledge!								 Curiosity	
Viyaan	Yr 1 1R	Viyaan has shown great independence in Maths and English recently. He always attempts to complete work to the best of his ability and is beginning to be more confident to attempt challenges on his own. Well done and keep up the good work.								 Independence	
Harsh	Yr 1 1S	Harsh has used some really creative thinking during our topic so far! He has thought of some creative language to describe toys and used it effectively in his writing, as well as some interesting ideas on why toys may still be popular today. He has enriched our discussions with his ideas this week and it has been lovely to explore this. Keep it up!								 Creativity	
Rocco	Yr 2 2W	What a great week Rocco has had! He has shown great maturity and reflection, particularly with his writing, which has been his main target. Not only that, he has also linked much of what we have learnt last year to help him to successfully tackle this week's Maths tasks. We are very proud of you, Rocco!								 Reflection	
Dawid	Yr 2 2A	Dawid has shown a tremendous amount of perseverance this week to write more in English. Even though he finds some things tricky, he never gives up and has worked really hard to improve his descriptive writing. He has also reflected brilliantly to use capital letters and full stops more consistently. Keep it up!								 Perseverance Reflection	
Ashiyia	Yr 3 3W	Ashiyia can be quite shy but so far this term, she has really persevered to try to increase her confidence by answering questions and contributing more in lessons. Consequently, her English character description was very good. Keep up the good work								 Perseverance	
Lily-Rose	Yr 3 3A	This week Lily has been writing a character description all about Mr Badger. She has tried really hard to use the model text to help create coherent sentences, while at the same time using the class vocabulary to add in interesting verbs, adverbs and noun phrases. This has meant that she has produced some of her best work in year 3 so far and has written solidly for two full lessons.								 Perseverance	
Sienna	Yr 4 4P	Sienna has been making an extra effort this week in her literacy and came up with some excellent similes for her description. Keep it up - we're very proud of you.								 Perseverance	
Kevin	Yr 5 5M	Star of the Week goes to Kevin this week for perseverance! Before Christmas, Miss Majer gave some of the children a list of 20 books to read in 2020 and he's already completed it! Not only that, he is always an excellent role model and has a brilliant learning attitude!								 Perseverance	
Sai	Yr 6 6R	Even though Sai has only just started, she has fitted in brilliantly and has already made good friends. Welcome to Highwood Sai.								 Teamwork
