Naomi	F1	Naomi gets star of the week this week for independence. She has independently been making good choices in the class to be a fantastic helper, particularly at tidy up times and when her friends need help. Well done Naomi.								 Independence	
Shreesha	F2 PS	We are so proud of Shreesha this week. She has been working super hard in her phonics group and as a result, we have seen a HUGE improvement in her handwriting. She is now using the cursive script regularly and having a go at building sentences. Keep up the hard work!								 Independence  Perseverance	
Isabella-Rose	F2 FP	Bella has been making an enormous effort to get herself changed ready for PE. At the beginning of the year, she required lots of adult support, but she now gets dressed independently and is getting quicker each week! Well done Bella.								 Independence  Perseverance	
Abdullah	Yr 1 1R	Abdullah has shown real independence this week when completing his hot task in Maths. He is beginning to show us what he is capable of. Keep it up Abdullah.								 Independence	
Atif	Yr 1 1S	Atif has been very independent this week in English using our 5 B's. He has tried to think more carefully about his work and instead of asking an adult, he used the board, his book and his buddy to help him when writing instructions. We have loved seeing him be more independent. Keep it up!								 Independence	
Sannuta	Yr 2 2W	Throughout the week, Sannuta has been extremely reflective and made many links between her existing knowledge to what we have been learning about. During Whole Class Reading, she was able to use evidence in the book, including the beautiful illustrations, to devise insightful and well-structured answers. Also during English, she was able to think of very interesting facts about Highwood Primary to include in her information text. She was determined to inspire the children at our link school in South Africa to want to visit Highwood. Well done.								 Reflection	
Thea	Yr 2 2A	Thea has worked phenomenally hard this week, especially in maths. Her levels of independence have greatly increased in Year 2 and she has persevered to apply all her skills and knowledge to accurately count coins and tell the time. Even though there are some questions that she still finds tricky, she doesn't let this stop her from always trying her best. Keep it up Thea!								 Independence  Perseverance	
Sania	Yr 3 3W	Sania has persevered with her reading and is now trying really hard to take her time when answering questions on quizzes. The hard work is paying off because she is moving up book points much more quickly. Keep it up!								 Perseverance	
Natalie	Yr 3 3A	This week, 3A have been learning to create impressionist paintings in the style of Monet, using both paint brushes and fingers. Natalie tried hard to imitate his style, while using her own creativity to create a wonderful water and woodland scene.								 Creativity	
Summer	Yr 4 4P	Summer wrote an excellent written response in her Reading that showed she really paid attention and could support her ideas with evidence – well done Summer great perseverance!								 Perseverance	
James	Yr 5 5M	James gets star of the week this week for teamwork. Over the past week we've been working in teams to plan and create Viking shields. James has gone above and beyond to make sure he's working well in his team and that they're creating a strong final product.								 Teamwork	
Nimra	Yr 6 6R	This week, Nim has approached everything with a positive and determined attitude. As a result, she is making excellent progress. Well done Nim!								 Perseverance
