 Teamwork	Research a traditional Asian dish. Can you help your adult to make it at home? Take photos to share the experience with us. 	<p style="text-align: center;">FREE CHOICE!</p> Complete a task of your choice showing this learning behaviour.	Choose an Asian country that you would like to visit. Work with an adult to make a list of what you would need to pack if you visited that country. Is there anything that you specifically need because of the country you have chosen?	Interview an adult about their childhood. What have you learnt about them? Compare your childhood to theirs. What's different, what's the same?	Plan a journey with an adult. You can go anywhere in your local area. Can you draw a map to show how to get there? Remember to include a key with your map.	With an adult some exercise every day and record what you do. You could go for a bike ride or go for a walk. Make sure that you both show great teamwork!
 Perseverance	What do you find challenging? Spend two weeks practising it for 10 minutes every day. Be ready to show us how you have improved!	Find an image of an animal native to any Asian country. Carefully sketch it in your book. Remember what we learnt about shading in Art. 	If I add three 1-digit numbers together, the answer will always be below 20. Is that true? Do an investigation to find out.	Think of 10 words that you find challenging to spell. Practice spelling them by using the Look, Cover, Write, Check method.	<p style="text-align: center;">FREE CHOICE!</p> Complete a task of your choice showing this learning behaviour.	Can you write worded problems for both multiplication and division. Show us how to solve your problems by using a bar model. 
 Independence	What is your favourite animal? Write a information text about it. Can you include interesting facts too? 	Can you label a world map with the seven continents and 5 oceans without any help? 	<p style="text-align: center;">FREE CHOICE!</p> Complete a task of your choice showing this learning behaviour.	How could you describe Japan or India? Create a word bank of adjectives /expanded noun phrases. Can you use them into sentences?	Draw a food chain showing how energy (food) is passed from one living thing to another. Challenge yourself to include 4 links in your chain.	How many physical and human features can you name? Draw a table to show what you have remembered.
