

Year 4 Spring Term Homework 2019- 2020

What Did The Romans Do For Us?

	Week 1 and 2	Week 3 and 4	Week 5 and 6	Week 7 and 8	Week 9 and 10	Week 11 and 12
Deadline	Wed 22 nd Jan	Wed 5 th Feb	Wed 26 th Feb	Wed 11 th Mar	Wed 25 th Mar	Wed 22 nd Apr
 <p style="text-align: center;">Teamwork</p>	Ask an adult to go to your local library with you and find some non-fiction books about the Romans and read some non-fiction together.	FREE CHOICE! Complete a task of your choice showing this learning behaviour.	Time to teach the times tables! Work with someone in your family or a friend to help teach them a timetable they are not perfect at yet. Try creating a game and then testing them!	Condensation and evaporation happen all the time around us. Work with someone to find examples in our everyday lives and the world around us and takes some photographs or draw some illustrations.	Go to your local library with a parent or guardian and investigate food chains – draw a diagram of a food chain that you learn about.	Time to read! Find people you have never read to, or have not read to a lot and share a book with them. Keep a record of all the different people you read with.
 <p style="text-align: center;">Perseverance</p>	Make a note of 5 words you come across in your reading that you didn't understand. Look up what they mean and try to use them in your own sentences.	Many of our words that we use today have their roots in Latin, the language of the Romans. Can you find ten words that we use today that have a Latin origin? Record them in a table.	FREE CHOICE! Complete a task of your choice showing this learning behaviour.	Can you learn 10 new French words? Think of 10 words you want to know how to say in French then research and learn them. Amaze your classmates by performing them in the class share.	Try to exercise for at least 10 minutes a day. You can choose any activity you want to get your heart pumping! Take some photos of you exercising or keep a written log.	Your choice! Choose a piece of homework from the grid that you didn't do but would have liked to have done
 <p style="text-align: center;">Independence</p>	Find out everything you can about Boudicca. Create a fact file or poster to show all the facts you have learned.	How many quizzes can you complete? Push yourself to pass as many Accelerated Reader quizzes as you can for the next two weeks!	What Did The Romans Do For Us? Investigate something the Romans invented that we still use today! Create a poster full of facts all about it!	FREE CHOICE! Complete a task of your choice showing this learning behaviour.	Your choice! Choose a piece of homework from the grid that you didn't do but would have liked to have done.	Times Table Rockstars. Try to play times table rockstars every day for the two weeks. Keep a record of the scores you get and see how much improvement you make.

	Week 1 and 2	Week 3 and 4	Week 5 and 6	Week 7 and 8	Week 9 and 10	Week 11 and 12
Deadline	Wed 22 nd Jan	Wed 5 th Feb	Wed 26 th Feb	Wed 11 th Mar	Wed 25 th Mar	Wed 22 nd Apr
 Creativity	Create a game that would help teach someone about an area of maths. Can you make a working proto-type to play with?	Take a photo and then try and make a mosaic of the picture of your choice.	Create a model, poster, painting or poem to show what you have learnt about the Romans so far.	Investigate some Roman recipes and try and make a Roman dish at home! Ask an adult to help! Make a photo diary of your experience!	FREE CHOICE! Complete a task of your choice showing this learning behaviour	Your choice! Choose a piece of homework from the grid that you didn't do but would have liked to have done
 Curiosity	Draw fact triangles for the 11 and 12 times tables. Then, write out the tables – can you spot any patterns? Create a poster and point them out!	Where in the world did the Roman's invade? Can you find everywhere the Roman Empire conquered on a map?	Visit a museum with artefacts or an exhibition about the Romans. Write a diary about your day.	What happened after the Romans left Britain? Find out and create a fact file.	Try and teach someone you know how Roman numerals work. See if they can answer questions like: $13 + 48$ and $210 - 87$ when written in Roman Numerals.	FREE CHOICE! Complete a task of your choice showing this learning behaviour
 Reflection	FREE CHOICE! Complete a task of your choice showing this learning behaviour	Reflect on which times tables you still struggle with. Choose one to really practice so you know both multiplication and division facts off by heart.	Reflect on a book you have really enjoyed this term. It could be one we read in school or one you read at home. Write a short blurb about the book so other people can see if they would be interested in reading it.	What do you still not know about the Romans? Investigate something you want to know more about!	What new vocabulary have you learned from reading this term? Create and label a poster to share the vocabulary.	Improve one piece of homework from this term and explain why and how you've made it better.

You are to complete **at least 1 piece** of homework from the grid **every 2 weeks**. Across the term, you should cover a task from each learning behaviour. **Homework is to be of a very high standard, demonstrating the Highwood value of pride.**
