Dear Year 4 Parents/Carers,

Zoolab visit to year 4.

To link with our key question 'Which of our senses is the most important?' and to add to our scientific understanding we will be having special visitors from Zoolab in school on the afternoon of **Monday 6th November**.

In the workshops the children will meet a variety of different animals and learn all about how they use their specific senses to hunt, hide and survive. We will be using this information to create interesting information texts jam packed full of facts.

We would like to ask for a voluntary donation of £5.50 per child for the visit. Without sufficient donations, we will be unable to run the visit. Please complete the below slip and return with the payment in a named envelope by **Wednesday 1st November**.

Yours sincerely,

Mr Allaway
