Dear Parents / Carers,

Happy New Year to all our families!

School Census Day

Thursday 19th January is school census day. This is a day where a number of school based details are collected by the government. One of the pieces of information they collect is the number of free meals that are taken on the day. To encourage as many children as possible to have a meal on Thursday, we have changed the menu to Fish and Chips or Bean and Lentil Burger. Could I please encourage as many children as possible that are eligible for free meals, particularly those children in F2 to year 2, to order a school meal on census day as it gives the school the chance to attract more funding. Thank you for your support.

VIPs

GOLD

SILVER

BRONZE

We have arranged our presentation assemblies for this term's VIP awards on Wednesday 25th and Thursday 26th January. All families have had letters confirming which children have been receiving the awards this term as they have been putting our Values Into Practice. We look forward to you being able to celebrate this achievement with us in a couple of weeks' time.

Exemplar Education Leaflets

On Monday, there will be an envelope coming home from an online tutoring group advertising their services. I have agreed for this to be circulated as the school will benefit from some free licences to the software. It is important to note that this is not something that has been endorsed by the school and that every child has received an envelope from year 1 to 6.
