

Headteacher's Bulletin

Welcome to the new look bulletin.

Dear Parents,

As you will read below, the school had a really successful entry to the Woodley Carnival with our Harry Potter themed float. It is events like this that make me really proud to be Headteacher at Highwood. I felt immense pride seeing how children, staff and parents worked closely together to produce such a fantastic entry. I would like to thank Friends of Highwood for funding the elaborate design and Mrs Richardson and Mr Green in particular for bringing the design to life. What a great day!

Thank you for your support.

Woodley Carnival

Highwood entered a wonderful *Harry Potter* themed float in last week's Woodley Carnival Procession, complete with a Hogwart's Express and a flying car! We were a very close runner-up, with just one point less than the winners, so congratulations and thank you to everyone involved in making the props, decorating the float and in taking part on the day.

Reminders

The Adventure Playground is for use during school hours only, under the supervision of school staff. Please do not allow children to use the equipment before or after school.

Especially now that the hot weather is here, please ensure that water (not juice) is brought to school every day, in a **named** water bottle.

Uniform and other school items are to be **clearly named**. The lost property store (near the big hall in KS2) is getting very full so please check there if you are missing any items.

Fidget Spinners

Fidget spinners are allowed in schools at playtime and lunchtime only. During lesson time they must be left in bags or lockers.

Water Bottles

Don't forget you can buy your First For Sports water bottles from the school office - £2.50 for one bottle or £4.00 for two. Proceeds going to the school funds.
