

# Headteacher's Bulletin

Dear Parents,

Welcome back after half term! This term we have organised a number of maths workshops. It is a great opportunity for you to come into school and learn about your child's maths curriculum. We also have our SPLAT afternoons in a few weeks. As a school we believe it is vital that parents and teachers work together to ensure that your child is a successful learner at Highwood. We hope to see you at one of our SPLAT afternoons.

Thank you for your support.  
Claire Vaux  
Deputy Headteacher

Please remember that we are now a nut-free school and ensure that your child does not bring **any** nut products into school. This includes products such as chocolate Nutella spreads.
