

Headteacher's Bulletin

Dear Parents,

Thank you to all of you who were able to attend the SPLAT events last week. It was great to see so many parents learning with their children. We have collated all the feedback forms and have had a staff meeting and leadership meeting to analyse the feedback.

One of the things already being investigated based on the feedback is access to online Maths learning activities. This will allow us to set maths activities to be completed at home without there being a huge increase in teacher workload. I will keep you updated with our progress.

Thank you for your support.

Highwood pupils lay a wreath at the Woodley

War Memorial

Highwood pupils joined students from other Woodley schools to lay wreaths at the Woodley War Memorial on the Friday before Remembrance Day. The children gathered in a moving tribute to pay their respects and observe the two minutes silence, and were joined by the Mayor of Woodley and the President of the Winnersh British Legion.

Please remember that we are now a **nut-free school**. The consequences for a child with a nut allergy coming into contact with nuts, or food containing nuts are extremely serious. Please be vigilant and ensure that your child does not bring **any** nut products into school, including those such as chocolate Nutella spread, or food cooked in nut oil or containing **any** traces of nuts.

If your child has suffered from sickness or diarrhoea they must not return to school until **48 hours** after their **last** episode.

Highwood highlights!

In football, both the Girls team and the Boys B team played last week at Woodley C of E school. Good games were played and the girls had a great result, winning 4 – 1 in their first match together.

Tag Rugby is also going well with Highwood currently second in the Six Nations League, pushing for promotion. Last round of games coming up soon.
