

Dear Parent,

Has your child ever expressed an interest in music? Are you looking for a fun and dynamic afterschool club for your child to join? If so, we'd really love to hear from you.

The Rock Project is known to be a little bit different than your every day instrument lesson/afterschool club. This is definitely a good thing, as we run our sessions deliberately in a fun and active way – students not only have a lot of fun themselves, but we also see so much progression musically week on week. It's very exciting!

One session is 2 hours long, consisting of 3 segments: tuition, performance, quiz.

From choosing out of guitar, bass, drums or vocals, your child would go into tuition (in a group of 5 or 6 students) on that instrument, learning one song every two weeks. They also get taught technique along the way.

As well tuition, another part of the session is what we call "Plug and Play". This is what makes The Rock Project so unique - we get all the students together, form bands and perform the songs they have learnt during the tuition!

Finally, we also have a quiz. We form the students into a few small teams and is a fun way for them to learn some music theory, and also some knowledge about the music industry.

We hold a Summer Concert at the end of every academic year and mini concert at Christmas. These concerts allow the students to show what they have learnt to family and friends alongside their fellow students, as well as performing on a big stage with professional sound, lighting and smoke machines!

The Woodley sessions run every Tuesday during term time only, from:
Highwood Primary School, Fairwater Dr, Woodley, Reading RG5 3JE

- Juniors (ages 7-11): 4:30PM – 6:30PM
- Seniors (ages 12-18): 6:45PM – 8:45PM
- Encore (18+): 9PM – 10:30PM

The Rock Project runs during term time (39 weeks per year) and we charge just £20 per 2 hour session – which works out at £65 per month.
