26<sup>th</sup> November 2021

Dear parents/carers,

**Please see information from Wokingham Borough Council to support the increased number of cases in the area within schools.**

In order to provide your communities with further support in managing Covid Infection and Transmission we have arranged for a special asymptomatic testing and information session to be held at

**Woodley Library on Monday 29<sup>th</sup> November - 1.45 - 4.30pm Pop Up Lateral Flow Testing**

This pop-up event will be staffed by our WBC Asymptomatic Testing team, parents and wider family members can come along on the way to pick up children or after school and drop in to the library where staff will be on hand to demonstrate how to undertake swabbing, complete tests and also help with understanding how postal tests may be ordered and how to navigate the NHS booking website.

Free packs of home Lateral Flow testing kits will also be available to collect so that families can stock up in readiness for staying safe as they plan their festive socialising.

Yours sincerely,

Matt Hickey  
Headteacher
