- ✓ Rehearse sentences orally prior to writing and reviewing vocabulary choices to utilise rich and varied word choices.
- ✓ In narratives, create settings, characters and plot through:
 - Deliberate and purposeful vocabulary choices.
 - Using expanded noun phrases, preposition phrases, adverbials and similes.
 - Describing characters with awareness of how details and word choices will reveal their character (inc. behaviour and speech).
- ✓ Show and show an awareness of the difference between written and spoken English and how to use this in their writing through:
 - *using formal language in appropriate non-fiction*
- ✓ Use a wider range of conjunctions inc. when, if, because, although to write sentences with more than one clause.
- ✓ In non-narratives, use organisational features e.g. headings/subheadings.

Evaluate & Edit

- ✓ Assess the effectiveness of own writing and others suggesting improvements.
- ✓ Propose changes to grammar and vocabulary to improve consistency.
- ✓ Proof-read for spelling and punctuation errors.

- ✓ Read further exception words, including those with unusual spellings / sound links
- ✓ Identify themes and conventions in a range of books

- ✓ add and subtract fractions with the same **denominator**
- ✓ recognise and write decimal equivalents of any number of tenths or hundredths
- ✓ recognise and write decimal equivalents to $\frac{1}{4}$, $\frac{1}{2}$ and $\frac{3}{4}$
- ✓ Recognise and show, using diagrams, families of common **equivalent fractions**
- ✓ find the effect of dividing a one- or two-digit number by 10 and 100, identifying the value of the digits in the answer as units, tenths and hundredths
- ✓ round decimals with one decimal place to the nearest whole number
- ✓ Compare numbers with the same number of decimal places up to two **decimal** places
- ✓ Solve simple measure and money problems involving fractions and decimals to two decimal places

Geometry and Measure

- ✓ Measure and calculate the perimeter of a **rectilinear** figure (including squares) in centimetres and metres
- ✓ Find the area of rectilinear shapes by counting squares

Essential Knowledge

- ✓ Recall multiplication and division facts for multiplication tables for 11 and 12.

| 11 timestable | 12 timestable |
|---------------|---------------|
| 1 x 11 = 11 | 1 x 12 = 12 |
| 2 x 11 = 22 | 2 x 12 = 24 |
