

## Consultation on proposed Admission Arrangements for Waingels for entry into Year 7 from September 2023

### Introduction

Waingels is an academy school who now act as their own admissions authority. When an admission authority wishes to make changes to their admission arrangements, they must consult to ensure all relevant views are heard. Waingels is consulting on the following change to the admission arrangements:

### Proposed change:

Wording and processes have been changed by Waingels, as the new admission authority for the school, as opposed to the Local Authority.

### The change to oversubscribed criteria is:

The addition of children of staff at Waingels.

### Why are we proposing this change?

Waingels has recently taken the decision to act as their own admissions authority and the admission arrangements need to reflect applications now being processed by Waingels.

As Waingels continues to be a popular school, we wish to retain and recruit an excellent calibre of staff for our students. This includes the very best teachers to deliver high quality lessons and support. However, the recruitment and retention of staff is increasingly difficult against a backdrop of a national shortage of teachers and the high cost of living in this area. To help attract skilled and knowledgeable professionals to key positions and to retain staff for the medium to long term, we wish to add children of staff to our oversubscribed criteria.

A copy of the proposed arrangement can be seen on the Waingels website:

[www.waingels.wokingham.sch.uk/282/admissions](http://www.waingels.wokingham.sch.uk/282/admissions)

### How can you respond?

We would appreciate your views on this proposal. Please send any comments regarding the proposed change, by e-mail to: [admissions@waingels.wokingham.sch.uk](mailto:admissions@waingels.wokingham.sch.uk)

Please mark your e-mail WAINGELS ADMISSIONS CONSULTATION

The consultation takes place between 17<sup>th</sup> December 2021 and 31<sup>st</sup> January 2022.

### What happens next?

After the consultation closing date, the responses will be collated and presented to the Waingels Governing Body who will reach a decision on whether or not to proceed with the proposed change and determine the admission arrangements. The outcome will be published on Waingels website by 4<sup>th</sup> April 2022.

## Waingels

### Proposed Admission arrangements for academic year 2023/24

Waingels is an 11–18 co-educational fully comprehensive school and this document details the policy to be followed for admissions to Waingels. Please note that living in or moving to the designated area of the school cannot guarantee a place at the school.

#### Year 7 Entry

- The PAN (Published Admission Number) for entry in September 2023 is 240.
- The school uses the Wokingham Borough Council Admissions Service which publicises the school to parents in the same literature as for other Wokingham schools. The School will participate in the co-ordinated arrangements made by Wokingham Borough Council. Parents/carers wishing to send their children to Waingels should submit an application to their home Local Authority and follow the guidance of that Local Authority regarding deadlines for submitting the application. This information will be published in Local Authority admission guides.
- Applications received after the published deadline (31 October 2022) will be treated as a 'late' application and be considered after the on-time applications have been allocated. If there is good reason i.e. the family has moved to the area after the closing date, or the illness of a single parent prevented them submitting an on-time application, the application may be treated as on-time, provided it is received by 15 January 2023. In such instances evidence may be required.
- Children with an Education Health and Care Plan (EHCP), or a statement of Special Educational Needs that names the School in the plan or the statement will be allocated a place above all other applicants.
- If there are more applicants than places available, applications will be prioritised in accordance with the following over-subscription criteria;
  - a) Looked after children or children who were looked after, but ceased to be so because they were adopted or became the subject of a child arrangements order or special guardianship order. \*
  - b) Children who have exceptional medical or social needs as the grounds for their admission to Waingels. \*
  - c) The children of staff at Waingels where that member of staff is the legal parent and guardian of that child, has a permanent contract to work at the school and where that member of staff has been employed at the school for 2 or more years at the time of application for the place or the member of staff is recruited to fill a vacant post within a demonstrable skill shortage.
  - d) Children whose permanent home address is **inside** the designated area of the school and who have a sibling at the school at the time of application; who is expected to be attending the school when the child will enter the school. \*
  - e) Children whose permanent home address is **inside** the designated area of the school.

- f) Children whose permanent home address is **outside** the designated area of the school and who have a sibling at the school at the time of application; who is expected to be attending the school when the child will enter the school. \*
- g) Any other children.

\* See Appendix A

Where the application of oversubscription criteria would result in splitting children with either the same birth dates or children born in the same academic year from the same family, then places will be offered even if this will result in the school going above its admission number.

### **Tiebreaker**

Living in the designated area does not guarantee a school place as there may be more applications from parents living in the designated area than places available. Where this is the case, the following tiebreaker will be applied to decide which of the applicants can be offered places, and the waiting list order. Priority will be given within any of the above oversubscription criteria to the applicant whose permanent home address is nearest to Waingels in terms of radial (straight line) distance. Distances will be measured consistently and will be measured as a straight line between the Local Land and Property Gazetteer (LLPG) address points for the respective home address and school, using the Easting and Northing for each address point. These are then used to calculate the distance between the two address points using a 'direct distance mathematical routine' within the Capita ONE system used by Wokingham Borough Council's School Admissions Team into which the LLPG address points are imported. This calculates the distance from the values created through this process using Pythagoras' Theorem by measuring the distance in meters between the Easting and Northing for each end address point then multiplied by 0.000621317 to convert to miles. It should be noted that this calculation may not be exactly the same as that created by a Geographical Information System (GIS) product as the GIS product may build in a formula to allow for the curvature of the earth. This curvature does not begin to affect distance values until the distance is at least 10 miles.

In the event that two or more children live at the same distance from the school and there are fewer places available, random allocation will be used to decide which child will be allocated the remaining place(s). This will be by supervised drawing of lots, carried out by at least 2 officers at Wokingham Borough Council.

### **Residency Requirements**

Home address

Applications are processed on the basis of the child's single permanent home address living with parent(s) or a carer/legal guardian at the closing date for applications. Reference to council tax records will be made to determine a single address for consideration of a place under criteria C or D. It is for the applicant to satisfy the local authority that they live at the address stated.

Applicants will be asked to declare that the address used will be their place of residence beyond the date of the pupil starting school. The local authority reserves its right to carry out further investigation and require additional evidence and to reject applications or withdraw offers of places, if it believes it has the grounds to do so. In such cases, the applicant will have recourse to putting their application through the independent appeals process.

It is important to declare if there is to be a change of address prior to the child starting school. If the applicant already owns a property which is in the process of being sold, we are able to accept the address of the new property only on submission of the appropriate evidence in support e.g. exchange of contracts letter on both the new property and, where possible, disposal of their current property. The latest date for submission of evidence to support a move is 15 January 2023. If the move takes place later or evidence is submitted later, the local authority will only be able to consider this information after the initial allocation of places has taken place and treat the new address for waiting list purposes.

Temporary addresses cannot be used to obtain school places. Where an applicant has two or more properties, evidence will be required showing the rental or disposal of the previous property. Temporary addresses will only be considered where evidence is provided of a genuine reason for the move e.g. flooding or subsidence.

If an applicant owns a property which they do not occupy and/or rent out and then move into another property within, or nearer to the designated area of the preferred school; the address of the property they own will be the address used for determining their designated area, unless the owned house has been rented out for 12 months prior to the closing date for applications.

Applicants are required to advise of any change of circumstance at any time prior to the child starting school. If you do not declare such arrangements, or a different address is used on the application where the child does not usually live; it will be considered that a false declaration has been made and it may be decided to decline to offer a place at a particular school, or normally withdraw the offer of a place.

### **Split living arrangements**

Where a family claims to be resident at more than one address, justification and evidence of the family's circumstances will be required e.g. split residence order or legal separation documentation. The application must be completed by the parent, at an address which is owned, leased or rented, where the child lives for the majority of the school week. This is based on the number of school nights a child spends at the home (Sunday night 1800 hrs to Friday 0900 hrs).

Where there is an equal split or there is any doubt about residence, the School Admissions Team will assess and make a judgment about which address to use for the purpose of the allocation of a school place where necessary requesting further information e.g.

- any legal documentation confirming residence
- the pattern of the residence
- the period of time over which the current arrangement has been in place
- confirmation from any previous school or early years setting of the contact details and home address supplied to it by the parents
- where the child is registered with the GP
- any other evidence the parents may supply to verify the position

The information provided will be considered by an admissions panel of at least two officers and their decision is final. It is recommended that consensus is reached by both parents and child on the school preferences to be expressed and it should be noted that only one offer letter will be sent to the main applicant unless otherwise requested and agreed by both parents.

**Applicants from abroad**

An application for a school place can be made from applicants applying for a school place for their child from abroad, provided that they can provide evidence of their right of abode. The address used will be the address where the child is living at the closing date for applications, unless evidence is provided that the family is returning to a property that they own in the Borough by 15 January 2023. Third party written evidence confirming the details and timing of the relocation will be required. Adjustments will be made to any waiting lists, if the family returns later, prior to the start of school. Further advice on the documentation required can be obtained from the school Admissions Team.

**Service Families**

Families of UK service personnel who are not yet living in the area will be able to make an application if it is accompanied by an assignment order declaring a relocation date and intended address. In the absence of a new home postal address, the authority will use the former Hazebrouck Barracks (co-ordinates: Easting 476869 and Northing 166249) as the postal address to determine distance to a preferred school. A letter from the Commanding Officer or garrison headquarters will be required confirming the living arrangements for families who are being housed at the army quarters at Arborfield but are assigned to another base.

**Returning Crown Servants**

Families of crown servants returning from overseas to live in the Wokingham borough may apply for a place in advance of their move provided the application is accompanied by an official letter confirming the posting to the UK and the expected relocation date.

Where a parent is unable to provide confirmation of a relocation address, an indication of the area may be provided, narrowed down as far as possible, to which the family intend to return. Preferences will be considered but applications will be considered under criterion F (other children) until the parent is able to provide confirmation of the new address such as proof of exchange of contracts or a signed rental agreement. If a place cannot be offered at a preferred school; no alternative school will be offered until confirmation of the relocation address within the borough is received but the right of appeal will be advised.

**Children with birth dates in the same academic year**

Out-of-age-group admissions will only be agreed where there is consensus that it is in the best interests of the child; the circumstances of each case will be considered individually. Such a consensus would be reached between the parents, schools concerned (the current school and Waingels) and any relevant professionals asked for their opinion on the case by Waingels.

**Accepting or declining the offer of a place**

Parents are required to accept or decline the allocated place using the form sent with the allocation letter. The form must be returned to the home local authority in accordance with their co-ordinated scheme (Wokingham Borough Council's states two weeks from the date of the offer letter). If a form is not received, there will be one further written warning and failure to respond may result in the place being withdrawn. Parents are requested to advise the local authority at any stage, if they are not accepting the place for any reason.

**Waiting Lists**

After 1 March 2023 a 'waiting list' will be administered if the school has more applicants than places available. A child's position on the waiting list is determined by applying the over-

subscription criteria as described above. Positions on the waiting list may go up or down due to pupil withdrawals or new or revised applications and no account is taken of the length of time spent on the waiting list. Waiting lists will be maintained by the local authority to fill places that may become available during the school year, but will transfer to Waingels on 31 December 2023. Children who are the subject of a direction by the Secretary of State for Education to admit or who are allocated to Waingels in accordance with an in-year fair access protocol will take precedence over those on the waiting list.

### **In Year admissions to Years 7-11**

Applications for entry to Year 7 after the end of the routine admissions round (ending on 31 August) and applications for entry into Year 8 to Year 11 at any time are processed as in-year applications and applications will be managed by Waingels according to published admission arrangements and timescales.

The number of places for each year group is 240.

Parents wishing to apply for a place at the school should complete the in-year application form available at [www.waingels.wokingham.sch.uk](http://www.waingels.wokingham.sch.uk)

### **Waiting Lists**

If there are pupils on a waiting list for the year into which the applicant is seeking admission, then the pupil will be placed on that waiting list in a position determined by application of the criteria used in determining initial admissions to Year 7. Pupils will be admitted from the waiting list in order as space becomes available.

Waiting lists will be reviewed and revised:

- each time a child is added to, or removed from, the waiting list
- when a child's changed circumstances will affect their priority
- when parents respond to periodic requests to see if they wish to remain on the waiting list
- at the end of the school year; should there be a change in the determined oversubscription criteria
- by children who are the subject of a direction by the local authority to admit or who are allocated to Waingels in accordance with a Fair Access Protocol will take precedence over those on a waiting list.

At the end of each academic year, parents will be e-mailed to ask if they wish to remain on the waiting list for their appropriate year group, for the following academic year. If no response is received within 5 school days of the date of the e-mail, the child's name will be removed.

If there is no pupil on the waiting list for the year into which the applicant is seeking admission, then the Academy Trust will determine whether a place can be offered to the applicant. If at the time of this determination the school has applications from more than one pupil for admission to the same year group, all the applications will be ordered according to the criteria used in determining initial admissions to Year 7 and will be considered in that order.

In reaching a decision on an application for admission to a full year group, the Academy Trust will normally refuse a place unless they are statutorily obliged to admit the applicant or the application is covered by Wokingham Borough Council's Fair Access Protocols.

**Request for a place outside the normal year group**

Places will be offered on the basis of the child's chronological age. This applies to all children, including those moving from abroad with little or no English. Out-of-age-group admissions in other year groups will only be agreed where there is consensus that it is in the best interests of the child; the circumstances of each case will be considered individually. Such a consensus would be reached between the parents, schools concerned (the current school and Waingels) and any relevant professionals asked for their opinion on the case by Waingels. Parents will be informed of their statutory right of appeal. This right does not apply if a place is offered in another year group at Waingels.

**Distances**

Distances will be measured consistently and will be measured as a straight line between Waingels address point and for the respective home address, using Google Maps.

In the event that two or more children live at the same distance from the school and there are fewer places available, random allocation will be used to decide which child will be allocated the remaining place(s). This will be by supervised drawing of lots, carried out by at least 2 independent persons.

**Accepting or declining the offer of a place**

Parents are required to accept or decline the allocated place, which will be sent by e-mail, within 3 school days from the date of the offer e-mail. If a response is not received, there will be one further written warning and failure to respond may result in the place being withdrawn and the place released. Unsuccessful applicants will be placed on the waiting list if they confirm that they wish to be. In accordance with the latest School Admissions Code, Waingels is required to inform the Education Authority of any application received and the outcome of the application. This includes the refusal of a school place by the parent; in which case the Education Authority may contact you to ascertain what arrangements you have made to educate your child.

**Appeals**

Parents have a statutory right to appeal to an independent appeals panel against the refusal of a place in all year groups at a school for which they have applied. This right does not apply if they are offered a place at the School but it is not their preferred age group.

Anyone wishing to appeal has 20 days from the date of notification that their application was unsuccessful to prepare and lodge their written appeal; an application form is available from our website [www.waingels.wokingham.sch.uk/282/admissions](http://www.waingels.wokingham.sch.uk/282/admissions) Please also see [www.clerksassociates.co.uk](http://www.clerksassociates.co.uk) our independent service provider for more information. The decisions of the appeals panel are binding on the school. There is no automatic right to a further appeal for admission within the same academic year unless there is a significant change of circumstances relevant to the application.

**Sixth Form Admissions**

The attainment criterion for admission into the Sixth Form is detailed in Waingels Sixth Form Prospectus which will be available online from September 2022.

**Internal Students**

Waingels welcomes applications from internal students who will have attended Year 11 during the

2022-2023 academic year. These students have priority over external students.

### **External Students**

Applications from those not attending the school will be also be accepted. External students will be offered a place on the courses they wish to take, provided there are spaces available and they have met the specified academic requirements. When applicants can be offered a place at the school but a course they wish to pursue is full, they will be offered an alternative course.

### **Making an application**

Those wishing to obtain a place in the school's Sixth Form starting in Year 12 in September 2023 should complete the school's Sixth Form Application form, which will be available from the school in November 2022. This form must be completed and returned by the deadline. Pupils in Year 11 already attending the school will be given a copy of the form.

Meetings may be arranged with students and their parents to discuss the options open to the student and to help the student decide on the suitability of particular courses for them. Such meetings play no part in the allocation of places, which are determined solely by the application of the criteria below.

### **Late Applications**

Applications received after the published deadline will be treated as a 'late' application and be considered after the on-time applications have been allocated. If there are exceptional circumstances i.e. the family has moved to the area after the closing date or the illness of a parent prevented them submitting an on-time application, the application may be treated as on time, provided it is received before the date parents are notified of places. In such instances, evidence will be required.

### **Criteria for Admission**

All admissions are subject to meeting the Sixth Form and course specific criteria outlined in the prospectus.

If there are insufficient spaces on any course for all those students who have expressed an interest and who have the appropriate qualifications, then places will be allocated based on rank order of grades achieved (highest to lowest).

Applicants who are unsuccessful at obtaining places on a particular course will be offered a place on an alternative course.

Offers of places to external students will be subject to the school confirming date of birth or right of abode by examination of the birth certificate and/or student's passport, as appropriate. Overseas students will be required to provide evidence of their results translated by the NARIQ service.

Out-of-age-group admissions will only be agreed where there is consensus that it is in the best interests of the child; the circumstances of each case will be considered individually. Such a consensus would be reached between the parents, schools concerned (the current school and Waingels) and any relevant professionals asked for their opinion on the case by Waingels.

### **Accepting or declining the offer of a place**

Places are offered on the understanding that there is a commitment to meet the academic

requirements of the school and the individual courses. Offer letters are distributed on GCSE Results Day. Parents must confirm acceptance of the offer on Results day. We do not reserve places. Parents are requested to advise the school at any stage if they are not accepting the place for any reason.

### **Appeals**

Anyone whose application is unsuccessful is entitled to appeal to an independent appeals panel. Information about this process can be obtained from the school.

### **General Contact information for all admissions**

Copies of the school admissions arrangements, sixth form prospectus and application form for sixth form are available on the [school website](#) or from the Admissions and Transition Administrator, who should be contacted in the first instance with any queries about the school admission arrangements.

Email [admissions@waingels.wokingham.sch.uk](mailto:admissions@waingels.wokingham.sch.uk)

Telephone 0118 969 0336

**Agreed:** Full Governors Meeting on 8<sup>th</sup> December 2021

## Appendix A (WBC Co-ordinated Admissions Schemes and Policy 2023/2024)

### Note 1

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and cease to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services function (see definition in section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Applications received under the Criterion A must be made by the person with parental responsibility for the child (e.g. the child's social worker, acting on behalf of the local authority for a looked after child) and will need to be supported by the following official documentation, as applicable:

- confirmation by the home local authority that the child is looked after or
- confirmation by the local authority that last looked after the child confirming that the child was looked after immediately prior to the issuing of one of the orders detailed above.

### Note 2

When submitting applications under criterion B (exceptional medical or social needs as grounds for a child's admittance to a particular school), this must be supported by written evidence from an independent professional aware of the case relating to the child, parent/carer or other children living at the same address (e.g. doctor, hospital consultant or psychologist for medical grounds or registered social or care worker, housing officer, the police or probation officer for social needs). This evidence must be specific to the school in question; it must show why that school is the most suitable; what facilities will benefit the child, and why no other school can offer the same support.

Your application cannot be considered if you do not declare that you are applying under this criterion and you do not provide written independent professional evidence. All supporting documentation must be received by 15 January 2023 for consideration prior to the main allocation of places. An admissions panel will consider the supporting evidence provided and will advise the applicant of its decision; the panel's decision is final. Any evidence received by the school admissions team after 15 January will not be taken into account in the main allocation of places but may if agreed by panel; affect the applicant's position on a school's waiting list after offer day.

It should be noted that all schools have the resources to work with special educational needs and common childhood complaints such as asthma or allergies.

**Note 3**

A sibling is a brother or sister (that is, another child of the same parents, whether living at the same address or not), or a half-brother or half-sister, step-brother or step-sister, or adopted or foster children living at the same address.

It includes children who at the time of application have a sibling for whom the offer of a place at the preferred school has been accepted, even if the sibling is not yet attending.

Parents may indicate a sibling in year 11 at the school provided it is the intention of the family that the child is due to continue their studies in the sixth form at the school.

**Note 4**

Occasionally a parent with more than one child can express a preference for their designated area school(s) for the older child, but the local authority is unable to meet this preference. The local authority will then allocate a place at a lower ranked preferred school or the closest available school with places. In this case, the parent may then prefer to send younger sibling(s) to the same school as the older child attends. In such instances, the allocated school may be regarded as if it were the designated area school for subsequent siblings and would be treated as meeting criterion C (sibling resident inside the designated area). Parents must notify the school admissions team at the time of application that they consider this exception applies. Where there is an application for the actual designated area school(s), designated area status would still be applied.

The authority has sought to make the above criteria as objective as possible. However for category B and any other cases where judgement is needed as to which criterion the application meets, a criterion the application meets, a panel of at least two officers will consider the application and supporting evidence. The panel's decision and reasons will be recorded, for the purposes of informing the parent and any subsequent appeal.

## Secondary School designated areas - Waingels College

This map gives a guide to the designated area of Waingels College that is used in its over-subscription criteria.

If you require any further information, please contact the School Admissions team.
