

We know that school uniform is expensive and therefore we want to support you.

If you have children moving to secondary school or starting school in September and already worrying how you will be able to provide everything that they are going to need whether it is uniform, sports equipment or shoes, **First Days is here to help.**

In the first instance, please visit one of our **Mobile Support Hubs** where you can meet our Family Support Team who will be able to talk through how we may be able to help.
