Kai	YR 3 3B	Start of the week is Kai for perseverance. Kai is one of the most determined people I know. If he has put his mind to something he will keep persevering with it until he is happy it is the best he can do. Amazing attitude Kai!						 Perseverance
Nina	YR 3 3R	Star of the week is Nina for curiosity. Nina demonstrated great enthusiasm and wonder when discussing her thoughts and admiration of Leonardo da Vinci in art! It was lovely to hear Nina speak with such passion.						 Curiosity
Joseph	YR 4 4P	Star of the week is Joseph for curiosity. In Science we have been looking at variables within an experiment. Joseph showed such curiosity during class discussions, and was able work out the difference between an independent and dependent variable really quickly!						 Curiosity
Rowan	YR 4 4W	Star of the week is Rowan for perseverance and teamwork. Throughout the week, Rowan has persevered with all aspects of his learning and has worked as a team to problem solve trickier questions in maths!						  Teamwork Perseverance
Karolina	Yr 5 5D	Start of the week is Karolina for independence Karolina is listening well to instructions and then independently getting started on her activities without being prompted to begin. Keep it up, Karolina!						 Independence
Renae	YR 5 5H	Star of the week is Renae for teamwork. Renae helps to support and encourage others whenever she is working in a group. This week this was especially shown in P.E.						 Teamwork
Matty	YR 6 6B	Star of the Week is Matty for independence. Matty showed excellent independence during our maths and geography lessons this week and used the resources available to support his learning when needed, well done!						 Independence
Ceira	YR 6 6R	Star of the Week is Ceira for independence. She has shown a great attitude towards her English and produced a wonderful explanation text for a mechnimal. I was very impressed.						 Independence
