Zunairah	YR 3 3B	<p>Star of the Week is Zunairah for Perseverance.</p> <p>Zunairah has shown great perseverance in her attitude to learning. I no longer hear her say, "I can't do it" and instead see her pick up her pencil and give it a go first. Because of this, Zunairah is making leaps and bounds with what she is achieving in lessons.</p>					 Perseverance		
Ellis	YR 3 3R	<p>Star of the Week is Ellis for Perseverance.</p> <p>Ellis has really impressed me recently and I have seen a real growth in his perseverance and his attitude to learning. Ellis has had a much more positive mindset and a 'can-do attitude'. When Ellis is unsure, he has a go but then also asks for support from an adult. Well done Ellis, keep it up!</p>					 Perseverance		
Reyan	YR 4 4P	<p>Star of the week is Reyan for Independence.</p> <p>Reyan has worked so hard this week in Maths, regularly getting onto the Explores and Solves independently. I have been so impressed by his new motivation in lessons!</p>					 Independence		
Jacob	YR 4 4W	<p>Star of the Week is Jacob for Reflection.</p> <p>Jacob has started to reflect on his writing and working hard to make it even better. Well Done Jacob.</p>					 Reflection		
Joe	Yr 5 5D	<p>Star of the Week is Joe for Perseverance.</p> <p>Joe has kept his focus on his learning in the afternoons and showed good subject knowledge during a Science discussion about friction, then completed his work to a good standard. Well done, Joe.</p>					 Perseverance		
Alicia	YR 5 5H	<p>Star of the week is Alicia for Teamwork and Creativity.</p> <p>During PSHE, Alicia worked collaboratively with her group and showed great creativity in creating the tallest tower. Her idea helped her team to win. Well done!</p>					 Teamwork Creativity		
Dawid	YR 6 6B	<p>Star of the Week is Dawid for Perseverance.</p> <p>Dawid showed great perseverance in our maths SPLAT when trying to find as many open cube nets as possible. He also made lots of effort to help tidy up at the end too.</p>					 Perseverance		
Rocco	YR 6 6R	<p>Star of the week is Rocco for Perseverance.</p> <p>In maths, Rocco has been trying really hard to learn fractions and with some support is starting to develop his confidence in maths. Well Done.</p>					 Perseverance
