Torin	YR 3 3B	Star of the Week is Torin for Perseverance.  Year 3 have been learning how to multiply 2-digit numbers this week and it is something that has been tricky for all of us. Torin has shown incredible perseverance in learning this new skill. As a result he has ended the week flourishing at multiplication! Great work, Torin!						 Perseverance
Abdul-Raheem	YR 3 3R	Star of the Week is Abdul-Raheem for Independence and Perseverance.  Abdul-Raheem has been consistently working hard in all areas of learning. In particular in Maths, where he took great pride in his presentation. He also has worked extremely hard at ensuring he shows good listening skills and respect for others.						 Independence Perseverance
Malachi	YR 4 4P	Star of the Week is Malachi for Reflection.  Malachi has had such a positive start to 2024, reflecting on his behaviour from last term. He's shown such a positive attitude in class, always listening and trying to do the right thing! I've been so impressed by his enthusiasm and effort!						 Reflection
Polina	YR 4 4W	Star of the Week is Polina for Creativity.  For settling well into our class and showing her creative nature when making a Roman shield!						 Creativity
Zoe	Yr 5 5D	Star of the Week is Zoe for Curiosity.  Zoe is a thoughtful and enthusiastic learner. She shows this by sharing her ideas and opinions in whole class discussions and listens carefully to the views of others. A lovely attitude that will take you far! Well done, Zoe!						 Curiosity
Logan	YR 5 5H	Star of the Week is Logan for Perseverance.  Logan has shown true perseverance in Maths lessons this week when he has found multiplication questions difficult by not giving up and telling himself he can do it!						 Perseverance
Ruby	YR 6 6B	Star of the Week is Ruby for Independence.  I've noticed Ruby has been making a real effort to take responsibility and use her initiative to find ways to help in the classroom – thank you!						 Independence
Taimoor	YR 6 6R	Star of the Week is Taimoor for Independence.  He has worked incredibly hard since returning from the Xmas break. In English, he has been experimenting with using different types of sentences and in maths has worked harder to complete many THINK questions. Well Done.						 Independence
