NURTURE TEACHER

Highwood has an exciting opportunity for an experienced teacher to join our Inclusion Team and set up a bespoke Nurture provision for our pupils

The role of our Nurture teacher will include the exciting prospect of creating a brand-new, bespoke provision for pupils that require support for their Social, Emotional and Mental Health needs.

You will be responsible for the planning and delivery of National Curriculum content in a nurturing environment that helps children remain regulated and on task. You will liaise with class teachers and our SENCO to help find sustainable strategies that support children's self-regulation, whilst also allowing them to progress with their learning.

This will be a teaching role, with a TLR payment, as you will line manage the support staff within the nurture provision. The salary will be negotiable with the successful candidate, as we will invite applications from both MPS and UPS teachers.

There will be significant CPD available, with an expectation from the outset that the successful candidate will commit to achieving the Nurture UK accreditation.
