The school day

- Starts off with lots of time for child-initiated opportunities.
- We slowly build up to some adult directed time.
- We focus heavily on building relationships, trust and ensuring that children are happy before moving onto more academic learning.
- Our intention is to teach them to read, write and understand number by the end of the year. Some children might require support, which we can provide within the setting.
- If your child isn't accessing the curriculum, we might ask to have a meeting so that we can discuss how to meet their needs.

Early Learning Goals

- Children will be assessed against the EYFS framework, working towards the ELGs.

Communication and language

Physical development

Personal, social and emotional development

Literacy

Mathematics

Understanding the world

Expressive arts and design

- Children will be judged as emerging or expected against each ELG.
- We will continually assess to support children who are not on track to meet the ELGs.
- There is less emphasis on recording on paper, so the adults will be spending more quality time with the children, focussing on their next steps.
- We will be sending home wow moments (a few each term) via SeeSaw. Please send us your wow moments too!
- The reception baseline assessment will be carried out in the first few weeks. It is a short, interactive activity undertaken with your child's teacher. The results are used to measure progress from reception to year 6. This data is not shared and only accessed by the DFE.
- For further information see this website:
www.gov.uk/government/publications/reception-baseline-assessment-informationforparents

Seesaw

- If you haven't received an email from Seesaw, please let us know.
- We post photos, videos and add comments so that you can get a snapshot of what they do.
- You can like a post, add a comment or upload your own photo/video. We love to see them.
- We will send home QR codes which enable you to post.

How can you help at home?

- Reading
 - Listen to your child read **every day**
 - They should use their phonics to sound out words
 - Practice blending to read, c-a-t
 - Read lots of stories to your child – fiction and non-fiction
 - Decodable books which match phonics learnt in school
- Number
 - play number games
 - Practice recognising and matching numbers to 10.
- Writing
 - Writing their name everyday
 - Copying over letters
 - Letter writing using the sheets provided further into the year

How can you help?

● Bags

Unfortunately, we don't have space for rucksacks – please bring a school green reading bag and a draw-string PE bag. Changes of clothes can be kept in PE bags

● Water bottles

We are a healthy school and promote drinking water to stay hydrated. Please make sure it's pure water, not flavoured or squash/juice.

● Reading and phonics

- We will send reading books home at the end of next week.
- We will give two decodable books and one choosing book (not expected to be able to read it) to last the week.
- Books changed weekly
- Children do a group read in school 3 x a week

How can you help?

● Snacks

We provide a healthy snack every day. Usually an apple, banana, orange, pear, carrot rota. If you would prefer to provide your own, it needs to be a fruit or vegetable.

● Lunch boxes

Nuts or nut-based products are not permitted in school due to children having severe nut allergies.

● Lunch

We will let you know if your child hasn't eaten a lot of food that day. The lunch time controllers keep an eye on the children and let us know. They only tell us about the ones who haven't eaten.

PE kits

PE kits are brought into school EVERY Monday and will be sent home on Friday.

Please can we make sure that a winter PE kit is also provided as we will still do PE outside when the weather turns colder and damp.

PE kits to include; the green Highwood PE t-shirt, plain black shorts, jogging bottoms, sweatshirt and a pair of trainers, velcro straps if possible. This is outlined in our school uniform policy.

Everything named!

There are to be NO earrings on PE days.

We teach the children to dress independently, so as much practise at home as possible would help.

Keeping in touch with progress

- Welcome any time
- SPLAT afternoons
- Mid-year reports
- Seesaw
- Parents appointments and book looks

Next Steps:

Reading: To express her opinion about the author's choice of characters, language and setting.

Writing: To consistently and effectively use a variety of descriptive language to enhance her writing.

Maths: To show greater perseverance when answering higher order questions and ensure that she provides sufficient evidence to support her answers.

Teacher's Comment:

It has been such a pleasure teaching Neiva this year. Her effervescent personality and wonderfully expressive nature spread positivity throughout the classroom. She thrives on being able to share her unique insights on all areas of the curriculum. Neiva is an incredibly supportive talk partner and it has been wonderful to watch her enable her partners to confidently tackle a task. This is testament to how Neiva embodies not only the teamwork learning behaviour, but the Highwood Values too.

Neiva, I am confident that you will continue to soar high in Year 3. I wish you all the best!
