

My

Sports Day

Social Story

Sports Day

is a

special day

at

school.

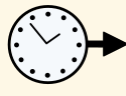

On

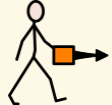

Sports Day,

I

will

take

part

in

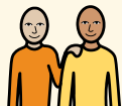

sports activities

with

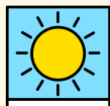

my

friends.

It is a

day

to

try

my

best

and

have

fun!

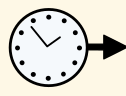

In

the morning,

I

will

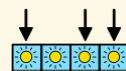

come to

school

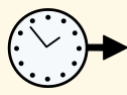

like

usual.

I

will

wear

my

PE kit

with

my

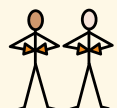

house

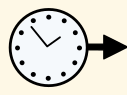

colour

t-shirt.

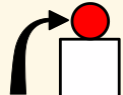

We

will

go

onto

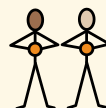

the KS1

field

with

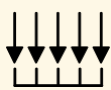

our

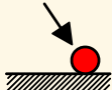

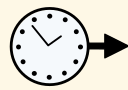

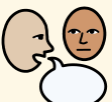

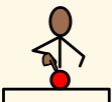

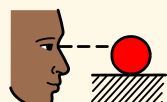

class.

        
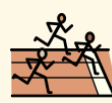

There are different stations around the field. I have

        
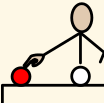

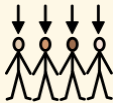

practised all the activities with Mr Edwards in my

  
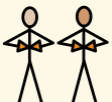

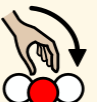

PE lessons.

         
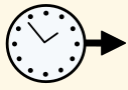

There will be teachers telling me what to do and

          
cheer me on. My family might come to watch too!

     
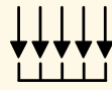

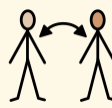

I might win a race!

       
That's exciting! But it's okay if I don't win. Everyone is

       
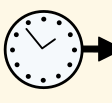

proud when we try our best.

   for   +  kind.

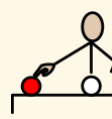

I will cheer for my friends and be kind.

    +   .

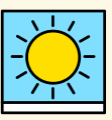

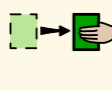

We all support each other and have fun together.

      .

At the end of Sports Day, we will go back to class.

     +  that's okay!

I might feel tired, happy, or proud—and that's okay!

 is a  fun  day to  move,  play, +  try

Sports Day is a fun day to move, play, and try

  
new things.

I am ready for a great day!
