

 **Social Story:**  **Meeting**  **My**  **New**  **Year 1**  **Teacher**

 **On**  **Monday,**  **something**  **very**  **exciting** **is**  **happening!**

 **I**  **will**  **go**  **with**  **my**  **class** **to**  **visit**  **my**  **new**  **Year 1**

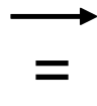

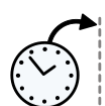

classroom.

 **I**  **will**  **walk**  **with**  **my**  **teacher** **and**  **my**  **friends.**

 **We**  **will**  **go**  **together,** **and**  **I**  **will**  **stay**  **with**

my group.

 **When**  **we**  **get there,**  **I**  **will**  **meet**  **my**  **new Year** **1**  **teacher.**

         
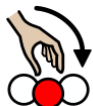

They will be kind and friendly, just like my F2 teacher.

      
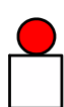

I will get to see my new classroom.

        
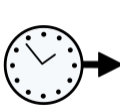

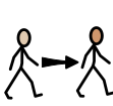

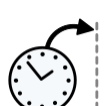

It might look a little different from my F2 class, and that's

okay!

      
There will be new activities, books, and fun things to

try.

       
I might sit on the carpet or at a desk.

        
I will listen carefully and follow instructions, just like

I do now.

I might do an activity with my new teacher.

If I'm not sure what to do, I can ask for help.

It's okay to feel excited, nervous, or even a little shy.

My teachers are there to help me.

After the visit, I will go back to my F2 classroom.

I can tell my teacher and my friends what I liked

about Year 1!
