

Social Story: Playtimes

 Sometimes,  my  friends  ask  me  to play  but I  don't want to.

 This is  ok.  I can  politely  say no  thank you.

 Sometimes,  I  ask  a friend  if they  want to  play a game  and

 they  say no  thank you.  This is  ok.

 I  will  politely  say ok,  lets  play  another  day  and  find

 another  friend  to play  with.

If my game goes wrong or I am unhappy, I will

tell my friend, using kind words. I could say "I am

upset because the game has gone wrong". If we cannot

sort the problem on our own we will ask an adult to

help us. We will always be polite and use kind

hands and kind words to each other. I have lots of fun

at Highwood School playing with my friends at playtimes.
