Social Story

Windsor Castle.

This

Getting Ready

 On
  the day
  of the trip,
  I
  will
  come to
  school
  at

 the usual
  time.

 I
  will
  wear
  my
  school uniform
  and
  comfortable
  shoes.

 I
  will
  bring
  my
  packed lunch,
  drink,
  and
  anything
  my

 teacher
  tells
  me
  to bring.

 We
  will
  talk about
  how to
  stay
  safe
  and
  look after

 each other.

  
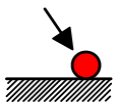

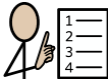

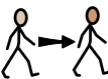

Going on the Coach

     
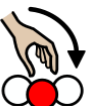

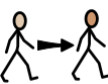

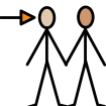

We will travel to Windsor Castle on a coach.

         
I will sit in my seat with my seatbelt on.

       
The journey might take a little while, so I can look out

      
the window, talk quietly with a friend, or listen to the adults.

       
There might be some rules to follow on the coach, and

    
I will try to follow them.

Arriving at the Castle

 When we arrive, we will get off the coach carefully.

 There will be many things to see. Windsor Castle is a very

 big and special place where kings and queens live.

 We will walk around with our teachers and look at

 important parts of the castle.

We will have a place to eat our lunch and

go to the toilet.

     +  
I will wait my turn and remember to be polite.

      
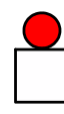

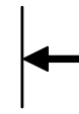

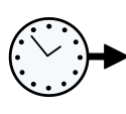

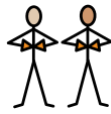

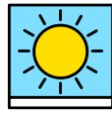

After lunch, we may explore a bit more.

Coming Back to School

I might feel tired, and that's okay.

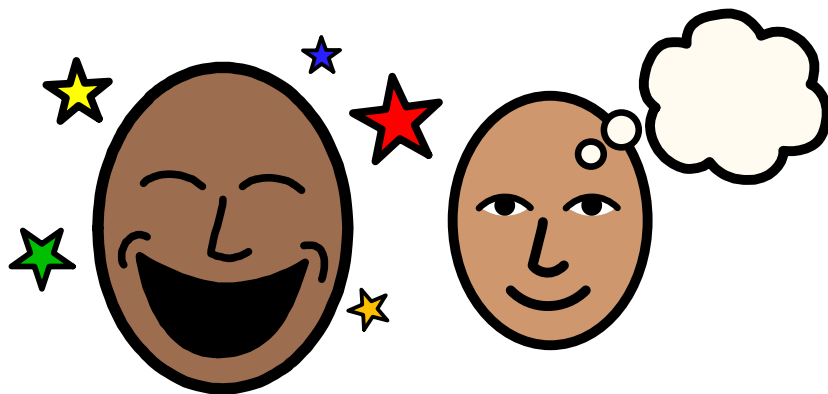

the

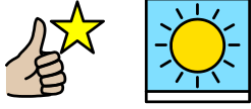

I will think about all the fun things I saw and

learned.
