Social Story

At

school

we

want to

be

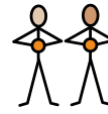

safe

and

happy.

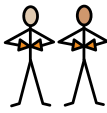

Our

teachers

want

us

to be

safe

and

happy

too.

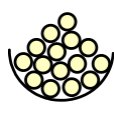

It is

important

to

drink

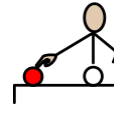

lots of

water

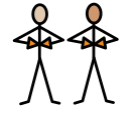

because

that

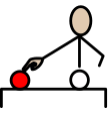

keeps

us

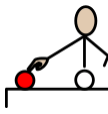

healthy.

That

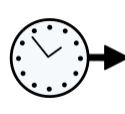

means

that

we

will

need

to go

to the

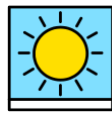

toilet

during

the

day.

The

best time

to go

to the

toilet

is at

at

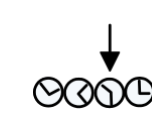

break time

or

lunch time.

But

sometimes

in

the

lesson,

we

might

need

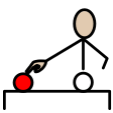

to go

to the

toilet.

That

is

ok.

We

are

allowed

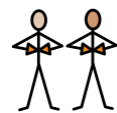

to go

to the

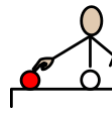

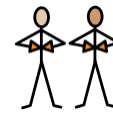

toilet

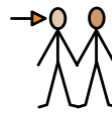

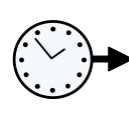

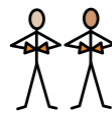

if

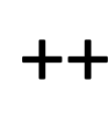

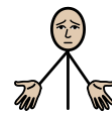

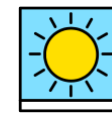

we

 need  to, but it is  important  that  we  ask  an adult  first.

 All of  the adults  will  listen  if we  say  that  we

 need  the toilet.  They  will  let  us  go  to the toilet.

 We  won't  get  into  trouble.

 Adults  also  need  to go  to the toilet  during  the day.  If

 we  are worried  about  asking  to go  to the toilet,  we

 can  ask our teacher  for a toilet  card  to keep  on  our  table.

 The teachers  want  us  all  to feel  happy  about  asking

 to go  to the toilet.
